

A photograph of a kitchen scene. In the foreground, a silver laptop is open on a dark granite countertop. A black power cord is plugged into a small, silver, wedge-shaped power strip that is also on the counter. In the background, a woman with dark hair, wearing a red shirt, is seen from behind, working at the same counter. The kitchen has white cabinets and a stainless steel range hood. A bowl of fruit, including a red apple and a strawberry, is visible on the right side of the counter.
