

1801 W. ST CHARLES RD
MAYWOOD, IL 60153
(708) 345 2075

**INSTALLATION INSTRUCTIONS
FOR LRA-HT**

This ring is designed to be used in conjunction with LEW part number LRA or PUFP-LRA, for use in a HUBBELL OR STEEL CITY round pvc floor box.

1. For Steel City floor box, break off the outer set of tabs.
For Hubbell floor box, skip this step.
2. Apply PVC Glue to the inside of part number LRA-HT and to the outside of part number LRA or PUFP-LRA.
3. Place part number LRA or PUFP-LRA inside Part number LRA-HT.
4. When dry, apply PVC cement to the outside of part number LRA-HT and secure the leveling ring inside the PVC box.
